

Public Hearing
Floodplain and Wetlands Early Public Review for
CDBG Project 15-C-RS-I-01-G-02

6:15 p.m., September 6, 2016

Board Meeting Room
Estancia Town Hall
513 Williams Avenue
Estancia, New Mexico 87016

The Town of Estancia, New Mexico, is considering extending its wastewater collection system to serve 17 households that are not currently on the Town sewer system as CDBG project 15-C-RS-I-01-G-02 under the NM Small Cities Program for non-entitlement cities and counties. The project is located in the 100-year floodplain. The Town is interested in discussing alternatives to this project, securing public perceptions of possible adverse impacts that could result from the project, and discussing possible measures to minimize any adverse impacts. A public hearing is scheduled at 6:15 p.m., September 6, 2016, to discuss the proposed project.

If you are unable to attend, you may mail written comments to: Mayor Sylvia Chavez, Town of Estancia, PO Box 166, Estancia, NM 87016, or email comments to Schavez@TownOfEstancia.com. Comments will be received until September 17, 2016.

To review a more detailed description of the project and FEMA flood maps, see Debra Kelly at the Estancia Town Hall, 513 Williams Avenue, Estancia, NM.
